American Super-Race Foundation

The Greatest IDEAL ever conceived for World Health, World Peace, World Success and World Happiness, is the IDEAL that IS and will be manifested in the AMERICAN SUPER-RACE FOUNDATION.

For centuries, Man has attempted to attain World Health thru the prescriptions of various internal and external drugs and therapeutical agencies; he has been educated for the attainment of World Peace thru wars; he has struggled for World Success thru prohibitive, compulsory and competitive legislation; and he has sought to emulate those who have striven, along various righteous paths, to attain World Happiness.

But, alas! the remedies for Health, the wars for Peace, the prohibitive, compulsory and competitive legislation for Success and the emulation of the lives and the teachings of Saviors and Great Leaders of the past, to attain Happiness, have caused, respectively, more diseases, greater wars, uncontrolled lawlessness, crime, more failures, and a sorrow which today hangs heavily over the whole World.

Never before, in the history of the World, has there been such a seeking for Peace thruout the World; and never before, has there been such a multitude of interested Minds and grieved Souls who are earnestly thinking, speaking, acting and praying for World Peace. From the laborer to the man of wealth, from the layman to the philosopher, from the farmer and business man to the statesmen and those directing the various Governments—all are seeking Peace, and are struggling, day and night, with domestic and foreign problems which they imagine will insure Peace and Prosperity.

At this time when all the World seems engrossed with various kinds of remedial legislation, when, on all sides, one hears, "Thou must Not" and "Thou must" do this or do that, for Individual and World Peace, Health, Success and Happiness, there was born, in the State of New York—an IDEAL.

An IDEAL contains no prohibitive, compulsory or competitive measures for the restoration or the reformation of Man. That IDEAL alone which does not conflict with the Individual's right to "Life, Liberty and the pursuit of Happiness", guaranteed by America to every Citizen, can solve the problems that have existed in the past for centuries, and that now confront us. Such an IDEAL is the AMERICAN SUPER-RACE FOUNDATION!

You will be interested to know what we aim to accomplish and how we propose to realize our IDEAL—your IDEAL—an IDEAL AMERICA, first, and then an IDEAL WORLD.

You now ask: What are the aims and objects of the AMERICAN SUPER-RACE FOUNDATION? What does it propose to do? Why does it propose to do it? How does it propose to do it? When does it propose to do it? What does it expect to accomplish? I will answer your questions in the order given above.

The American Super-Race Foundation What It Is

The AMERICAN SUPER-RACE FOUNDATION will be composed of that large majority of Citizens, of Caucasian blood only, who not only believe in the Supremacy of THEIR Race in America, but who desire to perpetuate that Supremacy, by selecting and specifically educating the Superior and the Very Superior

BEINGS of their Race to raise to the highest degree attainable the Biological, Educational and Moral Status of the American People.

The AMERICAN SUPER-RACE FOUNDATION is an IDEAL; and the members shall endeavor to prepare the way for the realization of a Super-Caucasian Race, in America, first, and shall continue until such time as the State or Federal Government will assume rightful control of our Educational Institutions.

The American Super-Race Foundation What it Proposes to Do

To awaken all Americans, of Caucasian blood, to the importance of THEIR racial preservation and their rightful Supremacy in America.

To instruct all Americans, of Caucasian blood, in methods of preservation and how to maintain their Supremacy, thru our IDEAL.

To instruct in all subjects pertaining to Health, Love, Marriage, and the transmission and longevity of our Species.

To instruct in Vocational Placement and to assist each applicant to find his or her right place, in the World, to insure real Success and Happiness.

To instruct how to prevent the birth of subnormal and degenerate children, without violating any law of nature, man or God.

To instruct how to predetermine the sex and vocation of children.

To prepare teachers who will instruct in all vocations, within our Institutions, or elsewhere, in harmony with our IDEAL.

To assist in organizing Home Betterment Clubs,

in every City in America, for the dissemination of all Truths pertaining to the welfare of the Home.

To build the AMERICAN SUPER-RACE FOUNDATION—a building of white marble or granite, to cost, at least, \$50,000,000—in that State chosen by the members, or by the Federal Government, where Caucasian Citizens only, may prepare themselves for their Vocational Adaptation and the unfoldment of body, mind and soul, according to the laws governing the evolvement of a Super-Race.

The American Super-Race Foundation The Why of its Proposals

We know that no two Races can stand Supreme, in any country, at the same time; and since, to the Caucasian Race, is conceded the rightful Supremacy in America, we shall, thru our instructions, impress this fact upon our Race.

We believe that the time has come when we shall give greater attention to the fact that there are but four per cent of the population in America who possess Very Superior Minds, and only nine and one-half per cent who have Superior Minds. Over forty per cent of the people of America are subnormal.

We know of no Institution nor Home in America, except the AMERICAN SUPER-RACE FOUNDATION, where instructions are being given to prevent the birth of subnormal and degenerate children, without violating any law of nature, man or God; nor do we know of any place where one may learn how to predetermine the sex or the vocation of children.

We know that greater care has been given to animals, in the propagation of their species, than has been given to the Newly-Weds; and our attention has

been given to the Support of abnormalcy rather than to its Prevention. We have neglected the constructive work of preparing for the birth of Normal children, and the special education of the Superior child, under the best environment, in his or her specific adaptation.

One need but look about to see children who are deformed in body and deficient in mind; boys who are girl-like, in body and temperament; and girls who are boy-like, in body and temperament.

Legislative measures that attempt to force people to be honest, healthy and happy are needed only for individuals and nations that are Biologically weak. An Ideal Individual possesses a strong biological capital commensurate with a Mind that thinks, speaks and acts normally, always insuring, without prohibitive or compulsory measures, honesty in mind, health in body and joy in soul.

Disease, failure and unhappiness are not so much the result of lack of opportunity and detrimental environment as of bad heredity. If one's ancestors had certain hereditary diseases, these predispositions are likely to be found in their offspring; if one's ancestors, on the other hand, were strong in body, keen in mind and joyful in soul, these tendencies will be found in their offspring. Heredity precedes environment, and biologically strong men and women make their environment.

Instead of going about aimlessly seeking a position without a knowledge of one's vocation, each student will know his or her specific adaptation and attain the highest success.

Since the Races have always been segregated according to Nature's decree, we believe that the highest

Biological, Educational and Moral status of each Race can best be evolved in separate Racial Foundations; and, to this end, we shall do our best to awaken the Superior Minds of All Races, for a World Health, a World Peace and a World Happiness.

The appalling situation in America—yes, in the World—need not be reviewed. We know that a Superior Race must appear SOON to lead Humanity out of its chaotic economic industrial and social conditions resulting from mental deficiency and physical degeneracy.

Man never dies growing old; he dies when he stops growing; and, like the trees of 500 and more years, which completely renew themselves every year, Man can renew himself every nine months—the period in which he was completely formed.

The NEW generations will be Predetermined in Sex and in Vocation, and these children will naturally seek their specific adaptation as instinctively as the birds fly. Their Leaders will be free from any physical, mental or psychical disturbance—Supermen and Superwomen.

We shall conclude by saying that the American Government will continue to direct the conduct of its individual members and of its organizations, social, industrial, commercial, political and religious; and, a multitude of Superior Caucasians will be needed to direct an Ideal American Government. By all reasonable and lawful means, therefore, do we serve, in thought, word and deed, to awaken AMERICANS, between the ages of three and thirty-three, to unite for the preservation and the perpetuation of Caucasian Supremacy in America, directing an Ideal Government.

The American Super-Race Foundation

How it Proposes to serve Humanity

Our IDEAL will appeal to every normal mind, and we shall have the support of intelligent people of all faiths and beliefs, who will cooperate with us to realize our IDEAL—an Ideal Americanism.

We already own the First UNIT of the AMERICAN SUPER-RACE FOUNDATION, in Rochester, N. Y. It consists of a lot, 52 by 165 feet, and a spacious house of 21 rooms, located at 128 Plymouth Avenue, South.

Since May 1st, 1923, when we took possession of our First UNIT, which is called the ROCHESTER HOME BETTERMENT CLUB, we have taught our many members, and the public at large, the Essentials to Health, Peace, Success and Happiness, and much that pertains to the Evolvement of a Super-Race.

We propose to assist in the organizing of a HOME BETTERMENT CLUB, in every City in America.

We shall engage expert Teachers, who pass our tests, to instruct, thru our IDEAL, all students who apply for the NEW Education, in every Vocation.

Our Lecturers, Our Writers and Our Publications will attract ALL who desire an Ideal America.

We shall SEEK, FIND and EDUCATE, specifically, under the Best ENVIRONMENT, the Superior and the Very Superior BEINGS, of CAUCASIAN Blood only, at first; later, those of other Races.

We shall endeavor to awaken and educate the students who possess Normal Minds; but we shall educate, Specifically, those with SUPERIOR Minds.

These SUPERIOR Beings will be taught the laws pertaining to the evolvement of a Super-Race. Meet

ing at the Annual Congresses, and otherwise, they will be attracted to each other, thru LOVE, first naturally; then, selectively, thru Health, Vocation, etc. The offsprings of these marriages will be the beginning of the Super-Race.

Within a few years, we shall have children, three years of age and over, ready to enter our Institutions and later the fifty million dollar building of THE AMERICAN SUPER-RACE FOUNDATION—the greatest Institution ever conceived by Man, for the highest physical, mental and psychical development of Human Beings.

The American Super-Race Foundation **When it will Function**

As stated before, we have already rendered educational services since May 1st, 1923.

Arrangements have been made to hold a "CONGRESS OF SUPERIOR CAUCASIANS", in New York City, January 17, 18, 19, 1924, in the Hotel Pennsylvania, and to make this event an Annual Affair.

We invite you to become a member and cooperate with us in finding Superior and Very Superior Caucasians, between three and thirty-three years of age, who reside in America.

We should also like to know of all Superior Intellectuals including those who are not Citizens and those over thirty-three years of age, for future references or services.

All Superior Caucasians who desire to be tested, anatomically, physiologically, psychologically, and vocationally, will receive such examinations, free of charge.

All applicants who score ninety-seven per cent and plus, Eugenically; 100 per cent and plus, Intelli-

gent Quotient; and ninety per cent and plus, Vocational Quotient, we shall endeavor to place in the right Vocational Sphere. In certain exceptional cases, we shall give FREE Scholarships in the Particular Adaptation.

All applicants who pass the specific tests, will be eligible to receive the NEW Education and instructions in the laws of transmitting their species.

All applicants will be registered and all who have been assisted in their higher unfoldment will report, monthly or quarterly, to the Foundation. Careful supervision will be given all students, and proper instructions will be mailed, or given orally, to the applicants concerning the prevention and the eradication of all inharmony tending to impede their progress.

Special attention will be given to Diet, Raiment, Shelter, Environment, Ethical Education, Recreation and Spiritual Attainment, while the Students are being educated in their specific adaptation.

The Founder of the AMERICAN SUPER-RACE FOUNDATION will call a "Congress of Superior MIXED Races", to meet in New York City, October 16, 17, 18, 1924. He will also assist in establishing the various FOUNDATIONS of the different Races, and render such services as are required, to promote the Highest Citizenship in EACH Race, conforming to the IDEAL and teachings of the American Super-Race Foundation.
